Together Is Better

REHABILITATION
CENTRE FOR
CHILDREN

Specialized Services for Children and Youth invites you to join us for **Breakfast at SSCY**, our monthly learning series!

Topic: Understanding the Neurological and Functional Development of Children with Critical Congenital Heart Disease

In this presentation you will learn about:

- The current outcomes of children with critical congenital heart disease
- The role of the Western Canadian Complex Pediatric Therapies Follow Up Program
- How research can improve the “participation” of children with critical congenital heart disease

Presented by: Florencia Ricci, MD, PhD, Child Development Clinic and Neonatal Follow Up Program, Rehabilitation Centre for Children

When: 8:00 – 9:00 am, Tuesday, September 11, 2018

Where: Northern Lights Room, 2nd floor of SSCY Centre, 1155 Notre Dame Ave

Parking: The SSCY Centre parking lot has paid visitor parking, and street parking may be available

Webinar: The session is available as a webinar; visit our website to register and watch live or to watch the recording: <http://sscy.ca/about-sscy/breakfast-at-sscy/>

Mark your calendar for our upcoming sessions:

October 9: An Update on Children’s disABILITY Services, Department of Families

November 13: St. Amant Autism Programs: ABA Through the Years: Where We’ve Come From and Where We’re Going

December 11: Let’s Talk Sibs: A Developmental Approach to Involving Siblings in Family Centred Care

Everyone is welcome to attend, and there is no need to register to watch in person

Please contact the SSCY Centre Research Coordinator for more information:
