

# CONNECTIONS MATTER

## WHAT:

- We're doing a research study to learn about youth's connections with their friends, family and community.

## PURPOSE:

- Come up with strategies that can be used to promote social connections among youth.

## WHO & WHAT TO EXPECT

- Youth who are in grades 6, 7 & 8
- Youth can choose one or more of the following activities:
  - Take part in an interview
  - Draw a map of things, places or people that they connect with.
  - Their choice of art-based activities
